

About Scitec

Scitec is an ISO-9001-certified manufacturer and preferred supplier of telephone sets to major U.S. healthcare providers and group purchasing organizations. From the lobby, emergency room, OR, and patient rooms, to administrative offices, Scitec healthcare telephones serve the needs of hospital staff, families, and patients alike. Choose from more than 50 models, including one-piece, slimline, feature phone, Caller ID, and standard 2500 desk and wall sets. For product and pricing information, to request a sample phone, or to place an order, call Scitec today at 800-451-4035 or write info@scitecinc.com for the name of an Authorized Scitec Reseller near you.
